HOW TO PREPARE FOR THE ESRA DIPLOMA

THE OXFORD ESRA DIPLOMA COURSE

TUESDAY 18TH AUGUST 2009

Course Organiser: Dr Mark Crowley MBBS, BSc, FRCA, DESRA

This course is specifically aimed at helping anaesthetists prepare for the ESRA (European Society of Regional Anaesthesia) diploma examinations.

This is a one day intensive course for those sitting the ESRA diploma and is suitable for both part 1 (MCQ) and part 2 (Viva) candidates. It has been developed by NHS Consultant Regional Anaesthetists who are ESRA members and who have successfully passed both components of this examination.

Sit mock ESRA regional anaesthesia MCQ exams (containing some examples of past questions) and receive tuition and lectures covering topics relevant to the exam.

For those sitting part 2 of the Diploma come and have plenty of Mock Viva practice including ultrasound and live model practice suitable for part 2 of the ESRA diploma examination. This session will run in parallel to the MCQ session.

Numbers are limited.

How much does it cost? The course fee is £50 for this one day course.

Where will it be held?

NUFFIELD ORTHOPAEDIC CENTRE (NOC)

WINDMILL ROAD

HEADINGTON

OXFORD

OX3 7LD

When? Tuesday 18th August 2009

How do I book a place? Complete the online booking at our website www.oxsora.com

The course programme will cover all aspects relevant in regional anaesthesia to the ESRA diploma examination and practice sessions with feedback will cover both MCQ's and VIVA's with live models.
